SUMMER FUN WELCOMES RISING KINDERGARTENERS

The KIDS' CLUB Summer Fun Program is open to children entering Kindergarten in September 2015 **provided they are five years old at the time of attendance.** Partial-day care options are available. Please call KIDS' CLUB for more information.

2015-2016 SCHOOL YEAR REGISTRATION

KIDS' CLUB's registration/registration renewal process for the 2015-2016 school year **After School Care - Before School Care - Vacation Week Care - No School Teacher Workshop Day Care** has begun. We anticipate high demand for child care again this year. All forms mentioned below can be found on our website and in hard copy at our front desk beginning on April 15, 2015.

A yearly registration fee of \$50.00 per child is required to submit a **2015-2016 Registration Form** ("RF" is printed in the upper right hand corner of this form). The **2015-2016 Scheduled Care Form** ("SC" is printed in the upper right hand corner of this form) will not hold a space for your child on any day unless it is accompanied by the Registration Form ("RF"). As soon as your family determines specific days of the week

that care will be necessary during the upcoming school year, we recommend that you submit these forms to reserve a space, as we anticipate a high demand for child care on Wednesdays and will have limited space on all other days.

The **2015-2016 School Age Care-Child Enrollment Forms Packet** (numbered **1 of 5** through **5 of 5** in boxes on the upper right hand corners) is required by the Commonwealth of Massachusetts to be resubmitted each year. As in past years, to ensure that these forms are **dated in June as required by the Commonwealth of Massachusetts**, this packet will be made available at the end of May and will be required for all children before they can attend our 2015 Summer Fun and 2015-2016 School Year programs. There will be no exceptions. Please look for this form on line or at KIDS' CLUB **at the end of May**.

PLEASE NOTE: This summer, supervised escort is being made available between KIDS' CLUB Summer Fun and the specific Recreation Department programs listed below. Parents who would like to take advantage of this service **must indicate their request on the Summer Fun (SF) form in the area provided at the time of registration. KIDS' CLUB will only provide supervised escort for those children whose parents list the need for transport and indicate the Recreation Department program at the time of Summer Fun sign-up. This policy is in place for planning purposes.** Families not arranging for this service in advance will be responsible for their child's transport between programs.

The Recreation Department programs included are: *Junior Summer Stock, Performing Arts, Bedford Baseball Camp, British Soccer Camp, Spectacular Hands On Science, Mad Science Summer Fun, Pre-Engineering, Summer Adventures, and Engineering FUNdamentals.*
